

## Disposable Blister Tag

### An economical measure of added security.

The Disposable Blister Tag is highly effective in reinforcing the die-cut peg hole in clamshell packaged merchandise. The “one way” clip attaches easily to any clamshell package, visually signifying that the merchandise is more secure – providing improved product security.

### SUGGESTED APPLICATIONS:

All clamshell and blister packaged merchandise, carded jewelry

- Reinforces die-cut peg hole for added security
- Easy to apply
- Strong visual deterrent
- Tough to defeat
- Consumer removal
- Compatible with Alpha Secure Fixtures Line
- Perfect solution for blister packages and clamshell packaged goods
