# CD Frames

**For CD protection, don't hide your products ... or your security.**

As the world's leading supplier of Keepers/Safers, we provide the broadest, most comprehensive line of protection in the industry. CD Frames are made with a clear, durable polycarbonate which allows full visibility of package graphics. CD Frames are ideal for low to medium risk locations.

## SUGGESTED APPLICATIONS:

CD's, Video Games

- Open display security for high-shrink merchandise
- Tough, durable and reusable
- Excellent viewing of product information - bar code readable
- Quick and easy to apply

**EAS Compatible - Available in UM & RF Label, EM Strip, AM & RF Ferrite Coil and EAS Pouch**
