# Spider Web™

The Spider Web has a thin, sleek design that won't impede graphics.

The Spider Web Loading Fixture makes loading irregular shaped merchandise quick and easy.

## Surround your hard-to-secure merchandise with a web of protection.

Spider Web — the new standard in high-shrink clamshell security. The Spider Web's unique multi-strand steel cable mesh bag presents an excellent visual deterrent that allows open merchandising — without the risk. Spider Webs provide breakthrough security for even the most irregular-shaped packages

### SUGGESTED APPLICATIONS:

All clamshell and blister packages: video game hardware & accessories, audio box sets, hand tools, software, camera bags, sports equipment, small electronics & appliances

- Protects hard-to-secure clamshell merchandise
- Mesh bag expands easily to package size
- Thin, sleek design that won't impede graphics
- Multi-strand steel cable for tough protection
- Reusable
- Easy application and removal
- Hard to defeat
- Non-deactivatable cable alarms at gate
