

## 2 ALARM

# Auto Spider Wrap

Quicker installation with improved security

High-security buckle includes increased wall thickness & durability

- Available with a Cut Resistant Medallion

7-strand aircraft grade cable for tough protection

Protected speaker minimizes defeat and produces a 95 DbA alarm (4x louder than competitive products)

Auto-recoiler improves application & removal time by 50%

New internal clutch mechanism creates a tighter fit

Includes long lasting lithium battery for years of hassle-free operation

Red flashing LED & speaker grill provide a strong visual deterrent

Auto-lock feature for a quicker application

Alpha, the first to bring the concept of a security wrap to the market, continues to enhance the Spider Wrap™ with improved features such as a push button recoiler designed to improve application time by 50%. Ease of application has also been improved with the new auto-lock feature. The addition of an easy to wind, flip-up top produces a tighter fit providing you with improved security.

Alpha's 2 Alarm Auto Spider offers improved security & ease of use!

Available in AM and RF formats.

SUGGESTED APPLICATIONS:

Ideal for medium to large packaged goods

Alpha's single key solution to control high-theft

SpiderWrap™
