

3 ALARM

Attack Spider

Engineered stronger to provide increased & improved security

New, stronger internal clutch enables cables to be cinched much tighter providing increased security for your boxed merchandise—especially heavy merchandise.

Alpha, the first to bring the concept of a security wrap to market, continues to enhance the Spider Wrap™ with features that provide greater ease of use and improved security.

Available in AM and RF formats.

SUGGESTED APPLICATIONS:
Ideal for medium to large packaged goods

Designed with Alpha's exclusive 3 Alarm Technology to protect your merchandise three ways:

- 1** Early Detection: Alarms when merchandise is tampered with in store
- 2** EAS Protection: Activates EAS alarm if a breach occurs
- 3** Extended Range: Self alarms if merchandise is removed from the store

Alpha's single key solution to control high-theft

SpiderWrap™
