

Game Console Keeper

For video game console protection,
Don't hide your products... or your security

The Alpha Game Console Keeper is part of the broadest and best line of Keepers in the world. The patented magnetic lock is ultra secure, but quick and easy to open which keeps checkout lines moving smoothly.

Available as 1 or 3 Alarm in AM and RF formats.

SUGGESTED APPLICATIONS:

Ideal for Nintendo DSi Game Console, various electronics and video games

Designed with Alpha's exclusive 3 Alarm Technology to protect your merchandise three ways:

- 1** Early Detection: Alarms when merchandise is tampered with in store
- 2** EAS Protection: Activates EAS alarm if a breach occurs
- 3** Extended Range: Self alarms if merchandise is removed from the store

Alpha's single key solution to control high-theft
